School policy requires all children to be attired in school uniform. Parents are asked to ensure that children have adequate provision of clothing so that consistency is evident in the wearing of uniform. The P & F Association supports the above policy. The P & F offer a lay-by system. Parents can purchase uniforms by ordering direct with the P & F at the school, the local shops or the second hand uniform shop at the school. Please contact the school office for the current opening hours.
